Officer: WOODARD M

M. Woodard #1217

8/1/25

Defendant: Isaiah Rodriguez 2/24/89

On 8/1/25 at approximately 2315, I was traveling south bound in the 1200 block of Butternut. A black Tahoe passed me at a high rate of speed, so I positioned my Tahoe behind the vehicle and paced it going 50 mph. I initiated a traffic stop in the DK parking lot at 1302 S 14th. Once the vehicle stopped, I immediately noticed that the driver lit up a cigarette. I approached the driver, later identified as Isaiah Rodriguez, and introduced myself and advised him as to why I was stopping him. Isaiah began speaking extremely loud and fast and acted nervous. He advised me that he and his I called for a backup unit and stayed with Isaiah until Officer Williams arrived on scene. I asked Officer Williams to watch Isaiah while I went back to my Tahoe to begin my investigation. Upon my research, I found that Isaiah had been arrested for drugs before, so I called a K9 unit.

Myself and Officer Williams asked Isaiah to step out of the vehicle and he did. The K9 ran an open air sniff of the vehicle and Officer Squyres advised me that the K9 did alert on the vehicle. Officer Williams searched Isaiah and did not find any contraband on his person. Officer Squyres began to search the vehicle and found two bottles containing pills. I searched the rest of the vehicle and did not find any other contraband. After speaking with Officer Squyres, he advised me that he looked the pills up and one bottle contained Hydrocodone and the other contained Alprazolam. Officer Squyres weighed the pills for me.

I mirandized Isaiah and he stated that he would speak with me in more detail about the pills. He stated that the pills were his wife's pills. He stated that he knew they were in there and that he takes them on occasion. He also stated that when he saw me get behind him, he was doing to "down" the pills to get rid of them, but he didn't have a drink to take them with. Isaiah's wife showed up on scene and when asked, she denied that the pills were her. Isaiah stated that he is the primary person who operates this vehicle.

Isaiah was arrested for 2 counts of Possession of a Controlled Substance Penalty Group 3 <28g, AM.

The pills were booked in as evidence and the weight's were:

Hydrocodone- 4.8g (11 pills)

Alprazolam- 4.2g (17 pills)
